FOUNDATION™
 THE HEART OF RED SOX NATION

BILLIE WEISS

Since 2002, the Red Sox Foundation has been uniquely positioned to leverage the iconic brand of the Boston Red Sox and harness the passion of the greatest fans in baseball to make lasting impact in our communities. Today, we are a model for others to follow as one of the most philanthropic team charities in all of professional sports, strategically using our platform to be a leading source of hope and positivity off the field in our New England and Lee County, Florida communities.

As a 501c3 nonprofit organization, we do all of our own fundraising to sustain our people, programs, core partners, and our giving to make deep impact in our three focus areas:
