Current R.I. License Plate Number*: _____

(do not include hyphens)

* Registration must have **5 digits/letters or less only**. Your license plate number will remain the same, but we will put on the Red Sox Foundation background. If you have 6 digits on your current license plate, you FIRST have to go into a RI Division of Motor Vehicles office in person and EXCHANGE your plate for a plate with 5 or fewer digits. Only after you have a 5 or fewer digit plate, can you apply to transfer your plate number to a RI Red Sox license plate. Please review the RI Red Sox License Overview and Frequently Asked Questions sheet for more information. Please note: the only RI plate types accepted for transfer to Red Sox plates are 01 (passenger) and 02 (commercial).

Please enclose payment for the required \$42.50 fee to order your Red Sox plates. Checks are currently only payment accepted. **You also must include a legible copy of your current registration. DO NOT SEND ORIGINALS**. Please make check payable to: **Red Sox Foundation**

Mail this form, a copy of your registration and check for \$42.50 to:
