## RBI OVERVIEW

The Red Sox Foundation's **Reviving Baseball in Inner Cities (RBI)** is the recreational cornerstone program aimed at inner-city boys and girls. To the Foundation, RBI is more than simply increasing the participation in baseball and softball in the neighborhoods we serve. It's about coming together as a team, encouraging school attendance and achievement, developing self-esteem and life skills, promoting positive attitudes, instilling values of teamwork, tolerance, and teaching safe and healthy choices to at-risk youth. RBI emphasizes the importance of good decision-making through development of good nutrition, leadership, respect for others, nonviolent conflict resolution, and an overall commitment to one's potential and to the community.

Organized and operated by the official team charity of the Boston Red Sox, the Foundation's RBI program serves approximately 700 inner-city boys and girls, aged 9-18, in 13 neighborhoods including Allston, Brighton, Dorchester, Hyde Park, Jamaica Plain, Mattapan, Mission Hill, the North and South Ends, Roslindale, Roxbury, South Boston, and West Roxbury. With many neighborhoods plagued by high crime, gang activity, and youth violence, we encourage RBI players to stay in school and resist drugs, alcohol, violence, and other damaging influences in their lives while providing a safe and vital alternative. The Red Sox Foundation is proud to fund the RBI program in its entirety without support from MLB.

Our youth are the future and we understand the importance of providing a program that delivers on their needs as well as provides a safe and fun extra-curricular activity. As participation across the nation in youth baseball and softball decline, the Red Sox Foundation continues to engage the inner-city youth in our area while facilitating high-quality, outcome-driven opportunities and focusing on our own community needs.

# RBI LEAGUE CODE OF ETHICS FOR COACHES AND LEAGUE AFFILIATES

## PURPOSE

The purpose of RBI is to maintain and promote the teaching of fundamentals, sportsmanship, character, and appropriate behavior to all participants. The Code of Ethics is to insure that emphasis is placed on motivation and development of the total individual and not on winning.

## THE CODE

Youth and adults connected with the RBI League are “living heroes.” Their actions will affect hundreds of players; therefore, it is imperative that those connected with the League always engage in conduct that is representative of the League.

- C1. Under no conditions should anyone “curse out” a player on or off the field. This is not our right. Explain rather than complain.
- C2. Under no conditions swear, commit, or imply vulgar action or motion.
- C3. Do not bait or ride umpires, opposing players, managers, and coaches. Appropriate conduct should prevail. The manager may inquire as to the nature or interpretation of a rule, but after an explanation, there should be no further questions or actions.
- C4. Do not “rid” or belittle the opposition. We are building character and togetherness.
- C5. Please refrain from smoking at all practices and during games.
- C6. Do not use words of instruction to a player or a team which are disrespectful, malicious or defamatory, such as “go in with high spikes,” “take them out,” “throw at his head” etc.
- C7. Do not drink any alcoholic beverages or be under the influence of drugs or alcohol at any time in the presence of players or in any context involving the League.
- C8. Speak in the collective about a game. Use as examples: “The team won” or “We won.” All victories are team victories and team spirit should be exhibited at all times.
- C9. Never use a player who has been injured until you are certain that the player have fully recovered. If a player has been injured, be certain that the player is fully recovered before he/she plays.
- C10. All teams should play every player in as much of every game as possible.

- C11. Do everything possible to ensure that playing RBI is a rewarding experience for the players. **ENCOURAGE YOUR PLAYERS TO BE GOOD SCHOLARS AND EQUALLY GOOD CITIZENS.**
- C12. Make certain that managers, coaches, and your team shake hands with the opposing team before and after each game.
- C13. Never make a statement that constitutes a racial slur or that is demeaning to any person. Encourage respect and tolerance of all people.
- C14. Never let your personal desire to win take precedence over the RBI Code of Ethics.
- C15. Do not hesitate to remind others of the RBI Code of Ethics and do not be offended when you are reminded.
- C16. All use of tobacco products and smokeless tobacco are prohibited on all City of Boston Park's premises as mandated by the City of Boston's Parks and Recreational Department.

#### **LEAGUE OBLIGATIONS TO THE CODE**

- CO1. Make certain that umpires, managers, coaches, players, and all persons affiliated with your league are fully aware of and comply with the RBI Code of Ethics.
- CO2. Publicize the RBI Code of Ethics as Major League Baseball commitment and review periodically the RBI League's progress towards its full implementation.
- CO3. Demonstrate leadership by working actively with RBI League commissioners and teams to resolve problems and challenges facing the League.
- CO4. Communicate to the various communities from which teams are organized the need for them to become involved and make them aware of the RBI league's efforts.
- CO5. RBI recognizes its obligation and responsibilities to each team. To this end, the RBI League and others in a position to influence the thinking of individuals should work to achieve adherence to the Code of Ethics.

If a player is found to be ineligible due to switching of teams illegally, all games in which that player was in the lineup will be considered forfeits.

**EXCEPTION:** A player that is coached by a parent may switch teams without an official team release in the event that the coach/parent moves on to coach a new team within the league.

# RBI BASEBALL LEAGUE RULES

## GAME RULES

**Time Limit:** 1 hour 40 min from scheduled start time.

- Finish the inning you are in and play one more. Field space usually allows 2.5 hours per game and this should keep us from going beyond 2 hours 15min. In effect, if you are still in the 5th inning at 1 hour 40min you are only playing 6 innings. \*If you are still in the 4th inning, then the next rule will come into play.

\*\*Example: Most of our 5:30pm weeknight games are followed by 8pm games and create havoc with umpires making abrupt decisions to call it while the 8pm teams start putting pressure on everyone. If at 7:10pm everyone knows that the game is, at most, in its second to last inning, this will take that pressure off.

**Mercy Rule:** 15 runs after 3 innings, or 10 runs after 5 innings.

**Official game:** (Called for rain or darkness) 4 complete innings, unless home team ahead after top of 4th.

- When a game is called within the 5th, 6th or 7th innings, the final score will be that of the last completed inning. The calling of a game, once the first pitch is thrown, is 100% at the discretion of the umpires.

**Grace period:** 15 minutes after scheduled start time. If a team cannot field nine (9) roster players in uniform, the game is a FFT and goes in as 7-0. If both teams are short players, both take a loss.

\*Coaches cannot agree to let a team start with 8 players and umpires should not wait beyond 15 min.

## PLAYING RULES

**Bats:** -3; BBCOR or Wood preferred; BESR will be accepted but teams are encouraged to only use BBCOR when possible for safety reasons.

**Cleats:** Metal cleats are OK for both Junior and Senior divisions, but rubber/plastic must be worn on turf fields.

**Roster:** Limited to 20 active players. The roster must be submitted to the RBI Baseball Commissioner before team's first game. Opening day roster players may not play for another team during the season. Changes to roster can be made once (after teams 5th game) once changes are made roster is final for remainder of season.

**Re-entry/EH:** Teams may bat 10 players including an EH. A team starting with 10 batters in the order must stay with 10 unless a player is hurt or ejected and only have 9 left. The hole left in the order would be eliminated and not become an out. If a team of 9 loses a player, the game is called off as a FFT regardless of inning. Any player in the order can become the EH and EH can become a fielder or pitcher as long as batting order never changes. Re-entry: Starters may re-enter the game in their original spot in the order; non-starters may not re-enter.

**Pitching:** Pitchers may pitch a maximum of 10 innings per week. The week is Monday through Sunday. Pitchers may not pitch on consecutive days. Pitchers throwing 3 innings or less must have 1 calendar days rest, 4 or more innings must have 3 calendar days rest. Rest rules always apply (a pitcher who throws 4 innings on Sunday may not pitch again until Thursday).

**Game Reporting:** The winning manager must report final score, pitchers last name and innings pitched for each team, by email, text or phone call within 24 hours or losing team gets the W.

**Rain/Cancellations:** In cases of rain, the home team will make the call if the field is suitable for play. If it is not, the home team must contact the commissioner, the umpires, and the RBI coordinator to ensure field usage and other aspects are accounted for.

If a game is canceled due to non-weather related reasons, the team cancelling must contact the opposing coach, the commissioner, the umpires, and the RBI coordinator to ensure field usage and other aspects are accounted for.

**A player MUST play a minimum of 50%** of regular season games in order to be eligible to play in the playoff games and/or the All-Star team. Injury waivers to this rule must be requested in writing prior to the halfway point of the season.

## RBI FIELD LOCATIONS

Each year, the Red Sox Foundation works with the city to provide fields for our RBI teams to compete. This would not be possible without the generous support of the Boston Parks and Recreation Department. Below is a list of fields that are commonly used by the Red Sox Foundation RBI program. Each field listed below has a link for directions. We would like to remind players, families and fans that there is safety in numbers. Whenever possible, adults should aid in carpooling or travel as a group. Boston is a safe city but strange neighborhoods can be intimidating. So please, whenever traveling in unfamiliar areas, take safety into consideration.

**Please note:** The majority of these facilities do not have water bubblers or bathroom facilities. It is advisable that you ask local teams where your players may be allowed to utilize a facility and/or attain water.
