#### WELCOME TO RBI

The Red Sox Foundation's Reviving Baseball in Inner-Cities (RBI) Program is the recreational cornerstone aimed at inner-city boys and girls aged 9-18. RBI uses the sport to promote the importance of good decision-making through development of good nutrition, leadership, respect for others, nonviolent conflict resolution, and an overall commitment to one's potential and to the community.

This program serves hundreds of boys and girls in the Boston community. Beyond the base lines, the Red Sox Foundation and its volunteer coaches seek to help teens see that they have opportunities in life beyond their love of the game. Over the past ten years, we've strengthened our program, adding more clinics and enrichment activities for our players and coaches. We've not only engaged the kids and their families, but their communities too.

Once you clicked on leagues, you will be brought to the League Registrations page where you will select either Baseball or Softball. Scroll down the page to see the Red Sox Foundation RBI Leagues.

## Select a League

Select a league by clicking on the “View Divisions” or by clicking the “More Details” button. This will bring you to the league options where you can select your division.

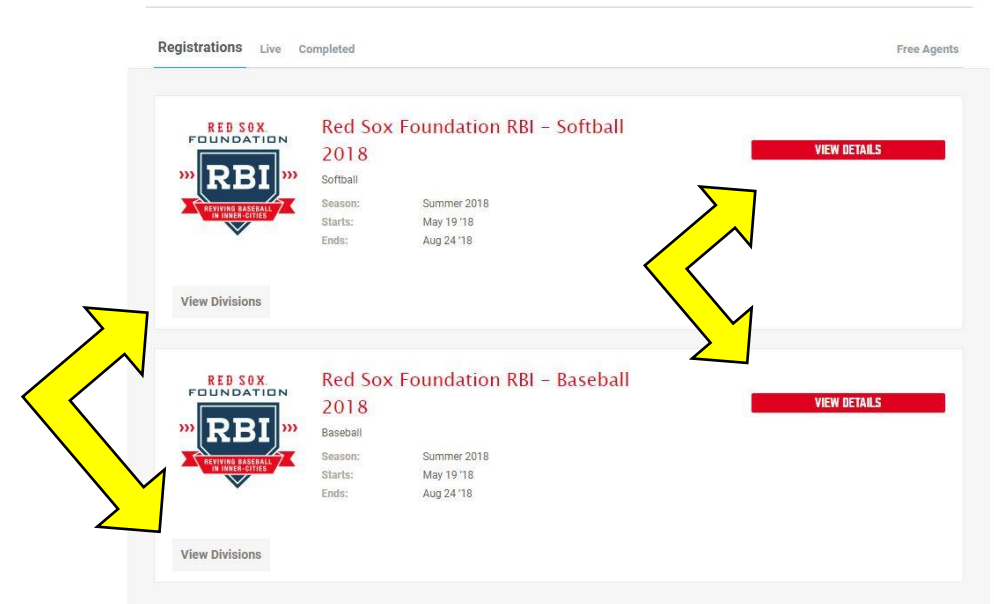

### League Registrations

Use the form below to filter by sport, season, day(s) and/or location; or scroll to view all programs.

Available or upcoming leagues are listed below for both baseball and softball. The Red Sox Foundation RBI program releases the schedules in April for the summer season. Each team is scheduled to play 12 games in the regular season before seeding occurs for the playoffs. The playoff schedule for all divisions, minus Youth Softball who do not have playoffs, will be released following the final game of the regular season.

If you have played on a team in previous years or know the team you will be playing for this season, choose "team player" and select the team. If you are a new player or do not know which team you will play for, please do not select a team as you will be listed as a Free Agent. Red Sox Foundation staff will be alerted and you will be assigned a team in your neighborhood.

## Select a Division

Once you have chosen the league, you will have to choose the division associated with your current age or the division you are coaching this summer.

### Baseball Leagues

Jr. Baseball (13-15 years old)  
Sr. Baseball (16-18 years old)

### Softball Leagues

Youth Softball (9-12 years old)  
Frosh Softball (13-14 years old)

When the registration opens, you will be able to select “Register” for the division. Otherwise you will see the date that the registration will open.

## Register as a Player

A parent or guardian will be able to select the youth account or create a youth account at this time. Once the youth account is selected or created, the player will be able to register as a “Team Player” or “Player” in order to play RBI this season.

### Team Player

A “Team Player” is for returning players or those players who know which RBI team they will be able playing for (confirmed by the coach). You will be able to select the team after you choose this option.

### Player

The “Player” option is for new players who do not currently have an assigned team. The information will be sent to RSF staff who will contact you before the season begins to ensure you have a team to play on.

## Register as a Coach

### Select Your Role

Please, make your selection below to see additional options.

I would like to register:

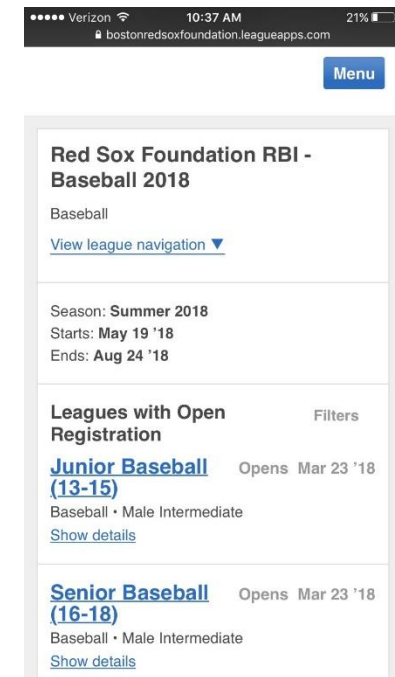

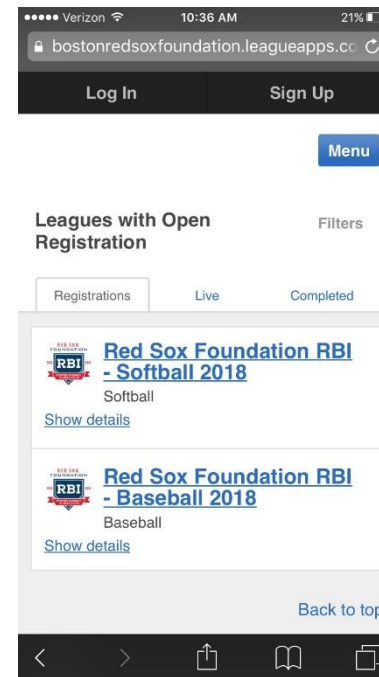

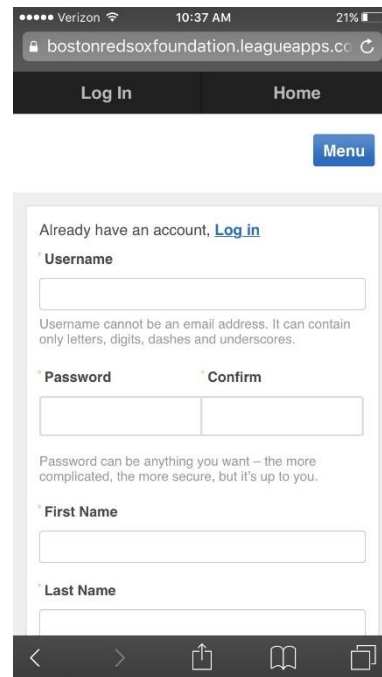

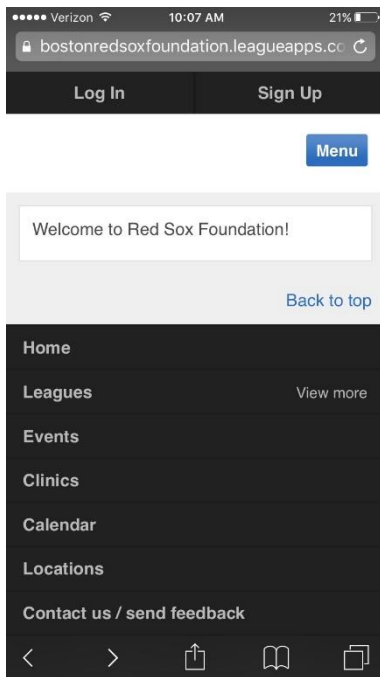

- ☐ My Child  
☐ Myself as a Staff Member (i.e. Coach)

Based on what option you choose here, you'll be able to register either yourself or your child.

If you are coaching RBI this year, select the “Myself as a Staff Member (i.e. Coach)” option and select your team.
